

2009 COLLEGE/CAREER & TRANSITION FAIR

On Tuesday, October 13, the Alief ISD Counseling Department will present the annual College/Career and Transition Fair. This fair will include representatives from over 200 post-secondary institutions from all over Texas and the United States as well as other junior college, military, vocational and career opportunities. Representatives will be available to discuss programs that will move you beyond your high school years into your exciting future options – whether you are looking at vocational fields or future graduate school plans.

Come join us and shake hands with your future.
