The Teaching and Training program of study prepares CTE learners for careers related to teaching, instruction, and creation of instructional and enrichment materials. The program of study introduces CTE learners to a wide variety of student groups and their corresponding needs. It familiarizes them with the processes for developing curriculum, coordinating educational content, and coaching groups and individuals.

The Education and Training Career Cluster focuses on planning, managing, and providing education and training services and related learning support services. All parts of courses are designed to introduce learners to the various careers available within the Education and Training career cluster.

Alief ISD does not discriminate on the basis of race, color national origin, handicap or sex. The Alief ISD Career and Technology Education program operates in accordance with the provision in Titles VI, VII and IX and section 504 of the Department of Health, Education and Welfare. Alief ISD program admission procedures, facilities and graduation requirements are designed to eliminate discrimination. Alief ISD will take steps to ensure that lack of English language skills will be not a barrier to admission and participation in all programs, including Career and Technology Education.
