

Get Discounted Fitbits with Alief ISD Wellness

A new opportunity to receive a different type of fitbit at a discounted price!

We are excited to announce the latest expansion to the Alief ISD Wellness program! Fitness trackers are a great way to reach your wellness goals and hold yourself accountable. Now Alief employees have the opportunity to buy **one** Fitbit device of their choice at a heavily subsidized price. This device is for employees only!

How to Buy

Through the Alief ISD Storefront, we are pleased to offer preferred pricing – a significant discount off of retail prices. It's as easy as 1-2-3.

1. Visit the [Alief ISD storefront](#).
2. Enter your 6 digit employee ID followed by Alief2019 as your code (example: 123456Alief2019).
3. Purchase the device of your choice!

There are no longer any zero cost Fitbits on this site, but all devices are offered at a great discount. We will continue to offer no cost devices during Alief U for new employees.

In addition to offering discounted pricing on Fitbits, Alief Wellness will also host district-wide challenges to put your steps to the test!
