

2016-2017 GOALS

1. Continue to provide central and campus level support to effectively implement and assess the FAME Initiative.
2. During 2016-2017, at least 65% of the district student population will have at least one family member interaction with their child's campus.
3. Increase the level of training and resources that provide opportunities for school-to-home academic connections and communication.
4. The percentage of cleared volunteers actively engaged in Alief schools will increase by 5%.
