

# Registering for Professional Development in Strive

Be Sure to click **Available Courses.**

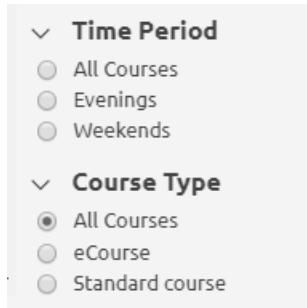

Notice the **FILTERS** menu on the right.

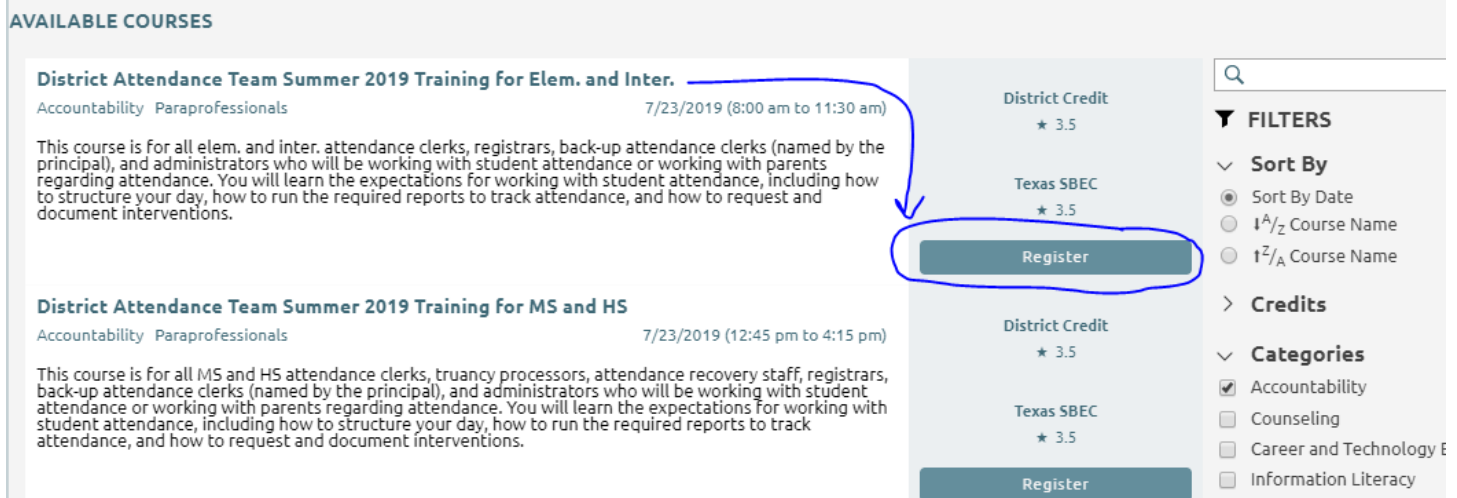

Scroll up and down on the Filters menu on the right. You can collapse the Credits area by clicking on the arrow. Now you can see **CATEGORIES** – Alief has been finding courses by categories for a long time.

At the very bottom of this right-hand menu, you will be able to filter for online courses, or look for evening or weekend courses.

Pick a Category and in the center, you can scroll down to see all the available sessions in that category. Once you find a session you want, hit Register.

# How do I get more details, or see the sessions for which I am registered?

On the left menu, Hit Personal View
