

Alief ISD uses PowerSchool, an easy to use online registration system for new student registration. A new student is defined as new to Alief ISD, having never attended an Alief school previously or did not attend an Alief school on the last day of the 2019-2020 school year.

**Steps to Register:**

1. Complete the New Student Registration information electronically by using the following link [www.aliefisd.net/enroll](http://www.aliefisd.net/enroll) and select New Student Registration *before* going to the campus. This process may be done from any computer or hand-held device.
2. Parents are still required to go to the appropriate campus during the dates and times below with required documents to complete the registration process. You will be e-mailed the list of required documents when you complete the online registration.
