## WHY GET CONNECTED

- When families are more involved, students are more engaged.
- Communicating with teachers, coaches, and administrators is easier.
- You can check your child's attendance, grades, and more so you can ask your child questions about specific assignments or activities.

An email address is **required** for Home Access and Schoology.

Free email is available from Google.com.

Connecting to Alief via Home Access, Schoology, Alief 411, and the Alief App helps you help your child.

## ALIEF FAMILIES GET CONNECTED

Independent School District

# 1. Home Access Center

## Check Grades

Home Access lets families view students' school information including attendance, discipline, and report cards.

Families **must** have an email address to create an account.

Go to [www.aliefisd.net](http://www.aliefisd.net) and click this link 

If you do not have an account, use the [\(click here to Self Register\)](#).

Fill out the information for registration

**Home Access Center User Registration**

When you log into the Home Access Center, you should see a toolbar like the one below.

# 2. Schoology

## Communicate with Teachers

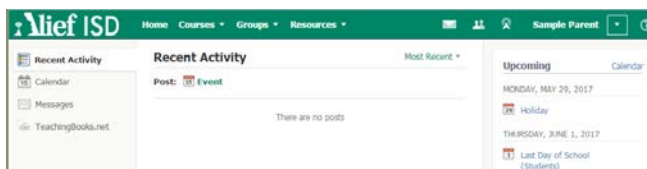

Schoology is an online tool that:

- ✓ Offers students content for learning and a way to work on class activities and assignments from anywhere
- ✓ Makes communicating easier between parents and school staff
- ✓ Helps parents be more involved

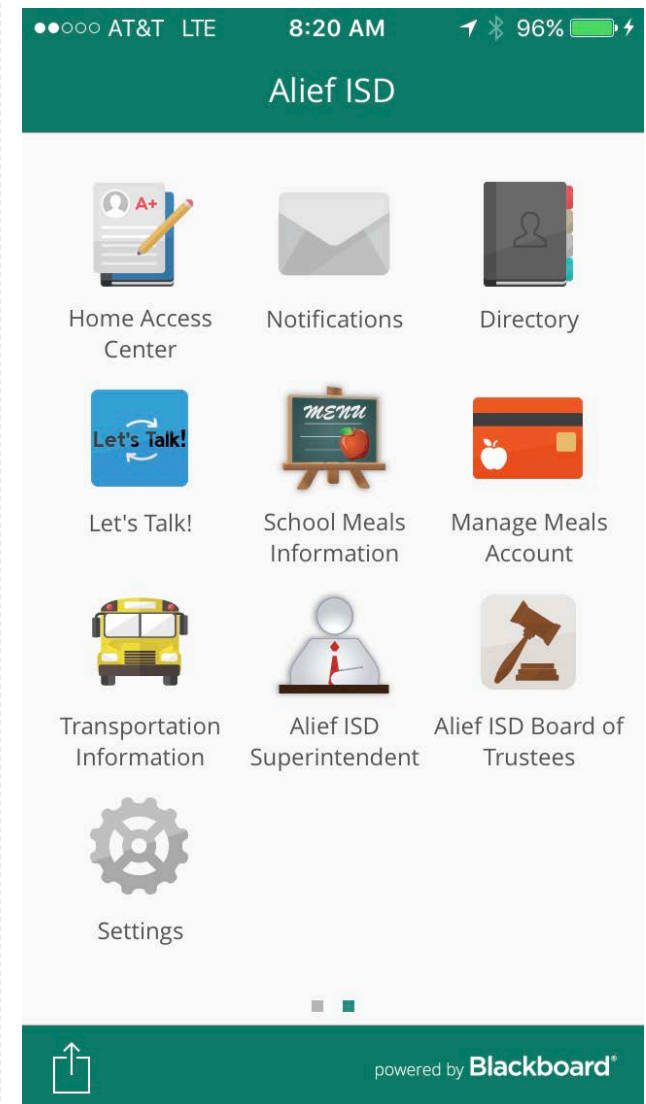

Beginning in August, you can use Schoology to view your child's coursework. You must have an account in Home Access **FIRST** for the district to create a Schoology account for you.

Once you receive notice from the district that Schoology is ready for families, you will use the link [app.schoology.com](http://app.schoology.com) to access the family Schoology accounts.

Your username and password will be the same as your Home Access account.

# 3. The Alief ISD APP
