

Dear Parents/Guardians/Community Members,

Dr. Newby graduated with a bachelor's degree from Sam Houston State University. She earned her master's degree in Educational Administration from Stephen F. Austin State University and her doctorate degree in Educational Leadership from the University of Houston – Main Campus. Dr. Newby has been involved with and chaired a number of committees throughout her career. She has served in various leadership roles including instructional specialist, campus testing coordinator and campus 504 coordinator. She is a very visible principal and maintains a priority for herself of visiting students and teachers in all areas of the school.

Dr. Newby views a collaborative school environment as the key to creating successful teachers and students. She believes that parents and community partners are essential to enriching the experience at Outley Elementary. She believes that her 3-D's (data, discipline and differentiation) are the key components of Outley's "Game Plan for Success"!

During her free time, Dr. Newby enjoys reading, cooking, and spending time with her family. She is married and has two children.

Dr. Sharonda Newby
