

Petrosky procedures for student birthdays:

Parents can send **store-bought** cupcakes for the class – cupcakes are a class only recognition event (no other visitors)

Homemade items are not allowed per Texas Public School Nutrition Policy.

Cupcakes must be at school before noon

No other food or treat items are allowed

Extra cupcakes will be sent home with the student

Please know that cupcakes are optional

At Petrosky we recognize every student birthday on the morning announcements and students get a birthday sticker in the office. Weekend birthdays are announced on Fridays. Summer (June, July, August) student birthdays are announced when May birthdays are recognized.

We appreciate your cooperation with these procedures.
