Agenda Items:

- Assign record keeper to type up the minutes from the meeting
- Review of January Minutes
- Campus Updates
- Upcoming Events
- Planning Transition Activities For Seniors
- Planning Transition Activities for Other Classes
- Next meeting date
- Other items?

Minutes:

Meeting began at 3:00 pm.

Opening of the meeting:

- Ms. Lluvonia Graham was chosen as record keeper.
- Ms. Hussain opened the meeting by mentioning that the March 25th meeting would be a planning meeting.
- Ms. Hussain also mentioned that looking at the CIP, we have made progress on most of our goals, but there were some that were Covid prohibitive.

Review of January Minutes:

- *Department Wish Lists:*
 - Mrs. Elzy provided an update on the department wish lists from the January meeting.
 - Most lists have been reviewed and review of all of them will be completed by Friday.
 - Mrs. Elzy is working with the district CTE and Fine Arts Dept. to assist with some of the wish list items in their areas.

Campus Updates & Upcoming Events presented by Mrs. Elzy:

- TELPAS started today and will conclude on Friday.
- Elsik SAT Day- Originally slated for March 3, 2021 may be delayed until March 24th, if materials do not arrive on time. We are prepared for the third, but if need be we will shift to the 24th.

To Do:

- 10th grade PSAT was originally was set for two day, now it will just be one day. March 10th.
- Learning Modes: On March 22, the hybrid model goes away. The choices for student learning platforms will be either all virtual or all in person- each for the entire 5 days. Ms. Elzy pointed out that we should expect more kids, but until it happens, we cannot really be sure. Right now, on paper, we are at 45%, but not all of those students how up. She would expect that trend to continue. In anticipation of an influx of students, we will walk the halls to ensure that we are following health and safety guidelines.
- Question: When we change learning platform models will we return to early dismissals on Wednesday? Answer: As of yet, there has been no mention of it, but we are sure that there will be no face-to-face meetings. We are waiting on the district to send communication.
- Question: Will we be providing Covid Vaccines on campus? Answer: At this time, we are not sure if that will happen. We are still waiting to establish that partnership.

End of the Year Transition Activities:

- We must provide documentation that we planned for things. This documentation is due by May 7th.
- Specific things mentioned:
 - Congratulations Ceremony for Seniors
 - Graduation Awards Ceremony
- Things that have already been completed:
 - 8th Grade Transition
- We will have graduation (outdoors) and plan to try to do the things that we did last year.
- There will be no prom- it is still not safe to gather in large crowds

- There was a suggestion that perhaps each department could come up with a transition activity. While this is not a mandatory task, if you come up with something, let Saadia Hussain know and she can help with planning.

Next meeting: March 25th at 3 pm through Zoom.

Other items:

- 8th Period- Starts Monday, March 1, 2021. Each Session= 35 days long. Large numbers in History in English 2. The thinking in scheduling these kids into 8th Period was that the state has not waived the EOC. Students must pass the EOC to get credit and must pass the class.

Meeting ends at 3:35 pm.
