What is the Purpose of the Above & Beyond Committee

The purpose of the Above and Beyond Team is to promote a civil and safe learning environment by identifying problems and concerns to the school community and developing solutions to those problems.

The Above and Beyond Committee also monitors progress toward problem resolution and makes adjustments (Restructuring and re-teaching, for example) to the solutions as needed.

What is C.H.A.M.P.S.?

CHAMPS is a proactive classroom management system that helps provide structures for positive outcomes in the classroom. The program focuses on student expectations and behaviors, resulting in higher rates of student achievement and a reduction in the frequency and intensity of misbehavior. With this approach, the focus is on prevention and on teaching expectations to students for each setting and activity throughout the school day. CHAMPS stands for Conversation, Help, Activity, Movement, Participation, and Success.
