Compacts are voluntary agreements between families and schools. It is important that families and schools work together to help students achieve high academic standards. The following are agreed upon responsibilities that we as partners will carry out to support student success in school and in life.

**Staff Pledge:**

I agree to perform the following responsibilities to the best of my ability:

- Teach classes via engaging and challenging lessons that promote student achievement.
- Implement strategies to motivate my students to learn.
- Have high expectations and help every child to develop a love of learning.
- Provide a warm, safe, and caring learning environment.
- Provide meaningful, daily homework assignments to reinforce and extend learning.
- Participate in professional development opportunities that improve teaching and learning, as well as support the formation of partnerships with families and the community.
- Actively participate in collaborative decision-making and consistently work with families and my school colleagues to make schools accessible and welcoming places for families, which help each student achieve high academic standards.
- Respect the school, students, and families.
- Offered parents two conferences to review their child’s progress and review school-family compact throughout the year. Parents may choose to have a face to face conference, telephone conference or communicate through email.
- Progress reports and report cards will be sent home in accordance to Alief policies and procedures.
- Parents will be included in the annual review of this policy and the discussion of needs assessment.
