Parent Notification of Student Performance
State of Texas Assessments of Academic Readiness (STAAR)
Department of Student Assessment

Dear Alief Parents,

This school year the Texas Education Agency (TEA) is providing multiple ways to access your child’s state assessment results. The results of the 2018 State Assessment of Academic Readiness (STAAR) Grades 3-8 and STAAR End of Course (EOC) tests will be available electronically.

You may view your child’s test scores online by using the student portal: www.texasassessment.com

To access this portal you will need:

- Your child’s Unique Access Code
- Your child’s date of birth

If you do not have your child’s Unique Access Code click “[Find My Unique Student Access Code](#)” to retrieve your child’s code.

You will need:

- Your child’s First Name
- Your child’s SSN (Social Security Number) or S-Number (State ID Number)
- Your child’s date of birth

Please use the schedule below to determine when your child’s testing results will be available.
