

How to access myON Reader and myON News

Owens Intermediate students have access to the myON digital library and myON News through there Alief HUB! /Classlink App (iPad) using their student network login (Student ID Number) and password.

What is available:

The myON digital library includes thousands of digital books with optional reading supports for students from pre-K through grade 12. Five daily myON News articles, which are written by journalists and reviewed by a child psychologist, are available along with an archive of previous issues. These resources can be accessed on any digital device that is connected to the Internet and are available 24/7.

Books from the myON digital library can be downloaded onto mobile devices for offline reading. Please click here for directions to access book offline:
