PLEASE NOTE:

**187 – 225 day campus employees must acquire 14 hours of professional development to meet the requirement for two extra days of pay. Hours must be completed by 2/29/24. Professional development hours are not required for administrators and two additional days have been added. Other positions not required to meet professional development requirements should extend the beginning and/or end date by one day. Beginning and ending dates may vary under principal/supervisor discretion provided all required days of duty are fulfilled. This applies to all positions with the exception of 187-day teachers and classroom paraprofessionals.
