If you would like to walk to campus to pick up your child, please go to the front office to check out your student with a valid ID.

If you wish to pick up your child(ren) as a car rider, you may begin picking up using the car rider line beginning at 3:40 PM We will ask for your child(ren)'s name and grade level.

As always, if you need to change your child's mode of transportation for dismissal, this must occur before 2:30 PM in the front office with a valid ID. Please make sure you and your child have a predetermined rainy day plan in place and you communicate these important plans with your child and their teacher in advance. We appreciate your patience in advance!

We will use the rainy day dismissal plan on days when it is pouring, and/or there is thunder and lightning. The decision will be made based on the weather conditions at Hearne Elementary School. We will communicate with parents, staff and students through Remind, PA announcements, Blackboard messages, and/or walkie talkies. Please ensure you are receiving messages.
