Tax Rate Impact

A taxpayer living in a home valued at $100,000 that qualifies for a homestead exemption would see an estimated increase of approximately $72.25 per year or $6.02 per month after all of the bonds have been issued.

Senior Citizens

Senior citizens (65 or older) whose property taxes are frozen would not be impacted.

Did you know?...

Alief ISD’s tax rate has decreased by 6 cents over the last 5 years. Alief currently has the second lowest tax rate of any school district in the greater Houston area. Even with the bond package, Alief ISD’s tax rate would remain one of the lowest in the Houston area.
