May 2, 2022
Agenda / Minutes

- 1) Have all members sign-in on the SDC sign-in sheet that can be printed out in P4L
- 2) Decide who will be the record keeper and type up the minutes from the meeting
- 3) Approve the minutes from the April meeting(s)
- 4) Continue reviewing campus data and revising your CNA. The Comprehensive Needs Assessment (CNA) will be due **Friday, May 6, 2022**.

The CNA draft has been placed on the campus website. All suggestions/edits are still open for consideration. See April agenda for the problem statements.

- 5) Continue revising your Performance Objectives and Strategies in your CIP. Focus on the non-STAAR and non-TELPAS Performance Objectives in Goals 2, 3, 4, and 5. STAAR and TELPAS Performance Objectives in Goals 1 and 2 will be finalized once data comes in over the summer—ensure dates listed in these Performance Objectives have been updated to 2022-2023. The Campus Improvement Plan will be due **Friday, May 6, 2022**.

Performance Objectives have been revised for 2022-2023 school year. Feedback is open from parents and all stakeholders. See the AECHS website for the CIP.

- 6) Discuss the results of the District-wide SDC Survey and prepare to review the findings with the staff at a faculty meeting or via email in May.

The survey results were shared at the April meeting.

- 7) Complete the “Summative Evaluation” of your performance objectives in P4L that is **due by Friday, May 27, 2022**. If a performance objective is related to state testing (STAAR or TELPAS), you will not be able to evaluate it until the beginning of the next school year once we get results back over the summer. I will send out a reminder in August to complete the remaining performance objective evaluations.

The SDC Committee divided into groups to complete the Summative Evaluation for the 21-22 CIP. We completed Goal 1, 2, 3, and 5. Jacob Lazarou and our parents completed Goal 5.

Thank you, Parents for serving on SDC!!!!
