

Miller Intermediate School, Title I 2021-2022 School Parent Compact

SCHOOL RESPONSIBILITIES

- The school will provide high-quality curriculum and instruction so students are able to meet or exceed end of the year district and state expectations. Students will be taught in a safe and supportive environment, which is consistently monitored by the staff.
- The school will hold at least two annual meetings to inform parents about our school's participation in the Title 1 program.
- The school will host Academic content nights with the purpose of providing training and materials to help parents work with their children to improve their academic achievement.
- Teachers and staff will meet with parents before, during dialing planning period, or after school to discuss a student's progress as needed, including reviewing grade level content standards, student assessments, and progress data with parents. The teachers will provide parents with support on how to work with their child to improve their child's academic achievement.
- The school will educate, coordinate and integrate family engagement programs and activities with other federal, state and local programs. The school will conduct other activities such as family engagement center, which supports parents fully participating in their children's education.
- The school will establish an atmosphere of leadership and open two-way communication with parents.

PARENT RESPONSIBILITIES

- Parents will monitor their child's attendance by ensuring that their child arrives to school on time and attends school each day. The parent will send a written note to the school when their child is absent notifying them of the reason for the absence.
- Parents will ensure that their child is dressed according to the school's mode of dress policy
- Parents will monitor their child's homework to be sure they are completing it each afternoon.
- Parents will attend parent involvement activities scheduled at the school during the school year.
- Parents will provide the school with accurate and updated student information throughout the school year (working phone numbers, address changes, emergency contact phone numbers, and health information).

STUDENT RESPONSIBILITIES

- Acknowledge, review with parents/guardians, sign and comply with the AISD Student Code of Conduct.
- Attend school and scheduled classes in compliance with state laws and district policies.
- Report any information that jeopardizes the personal safety and well-being of students and staff.
- Exhibit positive school citizenship.
