

Linking Khan Academy and College Board Student Accounts

Why link Khan Academy and College Board Accounts?

- ▶ You will be able to link your College Board and Khan Academy accounts in early January 2016 when you get your PSAT/NMSQT results.
- ▶ Linking your accounts will further personalize your practice as item-level data from your PSAT/NMSQT or PSAT 8/9 will be used by Khan Academy to generate specific practice recommendations based on an actual exam taken under test-like conditions.
- ▶ All future scores from the SAT, PSAT/NMSQT, PSAT 10 and PSAT 8/9 will also be sent to help customize your practice and recommendations on Khan Academy.
- ▶ You will be able to jump right into practice without having to take any additional diagnostic quizzes or practice tests to get personalized recommendations.

Please note that you can terminate your account linking at any time.
