

October 18, 2019

Dear Staff,

The upcoming November 5th election is very important to Texas and the Alief community. There are local races as well as statewide propositions to consider. The most immediate impact upon our school district is our three positions for the Alief Board of Trustees. Other races that will directly impact our community are the Mayoral and City Council races.

As I mentioned, there are also multiple statewide amendments on the ballot that will affect all Texas residents. Please take a moment to click this link and learn more about those by clicking here [Statewide ballots](#).

Early voting for this election begins October 21st and continues until November 1st. The Alief Administration building is once again serving as an Early Voting location for registered voters in Harris County. You may look up all polling locations and get updated election information at Alief Votes by clicking here [Alief Votes](#).

As always, I encourage each of us to be informed and take advantage of our right to vote. I realize the November 5th election is not nearly as exciting as a presidential election; however, there is no question that local city, county and school board elections have a far greater impact on our personal and professional lives than the presidential election. I know I sound like a broken record, but it is our responsibility (and duty) to be informed about the issues and candidates and to take the time to cast our vote.

Once again we are participating in a social media challenge during this election. If we have 1,000 or more selfies from employees posted on Facebook, Twitter or Instagram from October 21st through November 5th employees may wear jeans to work for a whole month this winter. We will share final details with you soon.

Thanks and have a great weekend.

See you around,

HD Chambers
Superintendent
