

2019-20 School Report Card and 2019-20 Federal Report Card

Spring 2021

Dear Parent(s),

I am writing to inform you that the **2019-20 School Report Card (SRC)** and **Federal Report Card (FRC)** for campuses and the district are posted on the district's website:

<https://www.aliefisd.net/Domain/111>

Summary of School Report Card (SRC)

The SRC is a report required by Section 39.305 of the Texas Education Code and is prepared each year by the Texas Education Agency (TEA) for each campus in the state. There is no district or state level SRC. It is a campus-only report.

The SRC is intended to give a broad view of campus performance by combining the following information:

- campus accountability rating
- data from campus Texas Academic Performance Report (TAPR), and
- financial information.

The information contained in the SRC is described in more detail in a document entitled **2019-20 School Report Card Definitions** – which is also posted and available at the link provided above.

The SRC for campuses may or may not have all the information described because the information presented depends on whether the school is an elementary, middle, or high school.

Summary of Federal Report Card (FRC)

The FRC is a report required under the federal Every Student Succeeds Act of 2015 (ESSA). Each year, TEA prepares an FRC for the State as well as each district and campus in the State. FRCs for the State, the district, and each of the district's campuses are now available at the link provided above.

The information contained in the FRC is described in more detail in a document entitled **Information Included in the 2019-20 Federal Report Card** – which is also posted and available at the link provided above.

If you have any questions concerning the SRC or the FRC, or if you would like a printed copy of either the SRC or the FRC (or the corresponding explanatory documents), please contact:
